TM-175 Wallmount Ped

Product Description

The TM-Rainguard Inmate Telephone Enclosure is designed to allow you to strategically place a permanent telephone enclosure quickly and easily where it is needed. When a TM-Rainguard is installed on the TM-L143 (or) TM-175 the telephone is positioned to be at the appropriate height to meet forward and side reach requirements.

Applications

- Outdoor Prison Yards
- Indoor Housing Units
- Holding Cells
- Psychiatric Wards
- Prison Hospitals
- Any place a permanent phone may be required and no wall space is available

The TM-Rainguard will accommodate all TMG Inmate Telephones. Call to verify which pattern will work for your existing telephone.
